

Year Plan

Grade 8
Subject: Drama
Approach: Unit

September	October	November	December	January
Orientation	Halloween Showcase	Movement/Speech	Christmas Show	Student Creation
The year will begin with an orientation unit with a focus on a little bit of everything: Improv, Acting, Movement, Speech, and Theatre Studies.	This unit will be include student chosen improv pieces to showcase in our Halloween performance. Prior to the show, the until will focus on both Improvisation and Acting.	During this unit, students will focus on the aspects of Movement such as dance, and Speech through storytelling, both which will works towards and contribute to the Christmas show in December.	Prior to putting on the Christmas show (which will be using dance and storytelling from the previous unit) the unit will focus on teaching the students about technical theatre- all of the elements that go into theatre and building a show.	As a wrap up to the semester, students will have a chance to write and create their own piece to perform as a final project in the class. It will combine any of the aspect of theatre we have studied up to this point.
